THE KTOV/JOE MACHENS BULLDOG REPORT can be seen every Sunday evening on Your Source KTOV Channel 3 in Kirksville after the 10 p.m. news. Tim Peters and Bryan Dunn talk with Truman head coach John Ware, as well as a Bulldog player, about the previous day's game and they look ahead to next week's contest.

TRUMAN (5-4 OVERALL, 3-4 MIAA):

The Bulldogs are looking to make it a winning season and play spoiler to the eighth-ranked Central Missouri Mules this Saturday at Warrensburg. One more win in the final two games of the year, will clinch the 'Dogs third-straight winning season, and the seventh in the eight-year tenure of head coach John Ware. In fact, Truman has nine winning seasons in the last 10 years and 58 winning seasons over the 94-year history of Bulldog football. The Central Missouri/Truman meeting has traditionally been a backwards affair as both teams tend to win on their opponent's turf. Though Truman has won eight of the last 10 games, both of CMSU's wins during that span were in Kirksville.

Truman broke with tradition in 2000 beating the Mules in Kirksville, 28-14. Over the last 13 games in the series with CMSU, the home team has won just twice, the other being in 1996 when Truman won 45-10 in the 'ville.

This week's game between the Bulldogs and Mules will pit the two most prolific offenses in the conference and nation against each other. The 'Dogs fell six spots to 12th in the nation, but are still first in the MIAA this week with 438.3 yards of total offense a game, while Central Missouri is sitting at 16th in DII and second in the league with 427.8 yards a game.

The highest finishing team in the MIAA that does not earn an NCAA postseason bid will represent the league in the Mineral Water Bowl in Excelsior Springs on Dec. 7. The similar team from the Northern Sun Intercollegiate Athletics Conference will be the other team.

The top four teams in the regional rankings earn NCAA postseason berths. Central Missouri had maintained a lock on the top spot in the Midwest but fell into third-place after losing its first contest of the 2002 campaign last week to the then-No. 2 team in the region, Northwest Missouri, 10-7.

Senior wide receiver Andrew Blakley (St. Joseph, Mo./Central) is again leading the nation in receptions with 9.0 a game. He had six for 32 yards against Pittsburg State, all in the first half. Blakley is second all-time in DII receptions and ranks tied for 10th among all-Division leaders with 285 for 3,294 yards and 22 TDs. This season, Blakley has claimed MIAA records for career receptions and receiving yards, and tied the Truman record for career receiving touchdowns.

Senior quarterback Dusty Burk (Tuscola, Ill./Illinois State) is second in Division II with 318.6 yards of total offense a game. He has six games this year with 300-plus yards of total offense and ranks fifth on the MIAA list of single-season total offense leaders with 2,867 yards.

TRUMAN VS. PITTSBURG STATE LAST SATURDAY: Truman scored its most points against No. 17 Pittsburg State since 1966 but could not manage to pull out a win as the Gorillas defeated the Bulldogs 49-35 in Kirksville, Mo., last Saturday. The teams were tied at seven apiece at the 94-year history of Bulldog football.

the half after both quarterbacks, PSU’s Neal Philpot and Burk, scored on 2-yard runs in the second quarter.

Philpot scored again on a 3-yard run at 10:48 in the third, but the Bulldogs’ true freshman cornerback Jason Douglas (Shawnee, Kan./Shawnee Mission Northwest) returned the ensuing kickoff 83 yards for a touchdown to even the score. However, linebacker Terek Wilson intercepted Burk a few minutes later and returned the ball 23 yards to put Pittsburg State ahead again.

Burk drove the Bulldogs 64 yards on nine plays on the next drive and scored on a 1-yard run with 5:30 to go in the third quarter to help tie the score at 21. Philpot answered with a 10-play, 77-yard drive and 5-yard TD run at 1:17 in the third. But Burk would have the last word in that stanza, hooking up with senior wide receiver Geoff Jensen (Grinnell, Iowa) on a 39-yard touchdown pass with 56 seconds remaining to again tie it up.

Tailback Joe Taylor ran three yards at 13:57 to put the Gorillas ahead at 35-28, but Douglas tied the NCAA Division II record and set a new MIAA mark for KO returns for a touchdown in a game with his second of the day, this one for the full 100 yards.

On Pittsburg State’s next drive, Taylor would put PSU ahead for good following a 74-yard touchdown run on the first play from scrimmage. Philpot added a TD run of nine yards with 1:50 left in the game for the final points of the day.

The last time Truman scored 35 or more points over Pittsburg State was in 1964 when the Bulldogs won 40-16. It was the most points scored by a Bulldog team against PSU since the Gorillas joined the league in 1989.

Pittsburg State generated 483 yards of total offense and controlled the ball for 35:26, while Truman had its lowest output of the year with 264 total yards.

DOUGLAS EARNED SPECIAL TEAMS PLAYER OF THE WEEK AWARD:

Jason Douglas was named special teams player of the week by D2Football.com and the Don Hansen Football Gazette. He is one of just six NCAA Division II players to ever have returned two kickoffs for touchdowns in a game. The pair of TDs was a new MIAA single game record and tied the league single season mark. Douglas’ 100-yard return was just the third by a Bulldog and the first since Larry Jones accomplished the feat in 1971 against Southeast Missouri. The NCAA does not recognize returns over 100 yards, thus Douglas also ties the NCAA record for longest KO return for a TD with many others.

CENTRAL MISSOURI STATE (8-1, 6-1 MIAA) The Mules are hoping to continue their hunt for postseason action with a win over Truman on Saturday. A win will keep CMSU in the top four teams in the region, while a loss could threaten their postseason aspirations with No. 7 Pittsburg State still on the agenda for the regular season finale. However, the Mules are likely to play on past the PSU encounter, if only to appear in the Mineral Water Bowl.

Senior quarterback Dennis Gile is currently eighth in the nation in pass efficiency (160.8). Sophomore running back Keagan Coleman is tied for the lead in NCAA Division II scoring with 14.7 points a game. He is also 14th in passing (210.4 ypg) and passing average (185.3 ypg). He completed just 14 of 37 passes vs. NWMSU last week and more than doubled his number of interceptions for the season with four on the day. Coleman had 94 yards on 21 carries and scored the Mules’ only touchdown of the day at 10:43 in the fourth quarter. The CMSU defense seemed to be holding up as well as the

is first in the league in total yards (285), tops the MIAA, and DII, in receiving yards (3,293), and eighth in all-purpose yards (11.6 ypg). Derek Kent is sixth in conference tackles with 8.6 a game (77) and Judd Lienhard is tied for third in the MIAA with 1.33 tackles for a loss game.

Willrich is tied for third in MIAA interceptions (4, 0.44 pg).

THE ABC'S OF BULLDOG FOOTBALL: ANDREW BLAKLEY CATCHES

Despite currently ranking second all-time in NCAA Division II receptions with 285, Blakley will have difficulty reaching the pinnacle in the next two games where Clarence Coleman of Ferris State sits with 323 catches from 1998-01. He has caught a pass in every game over the last four seasons, 42 straight for a school record.

Blakley is just one reception away from breaking the Truman single season record of 82 set by Russel Evans in 1986. The MIAA record stands at 94 by Jarrett Vito of Emporia in 1995.

A season ago All-America, Blakley broke the school record for career receptions in the '01 season finale after making 13 receptions for 133 yards, surpassing Rich Otte's mark of 202. Blakley set the MIAA career receptions mark when he caught his fifth pass in the ESU game in the second quarter on the Bulldogs' first scoring drive. It was a 19-yard reception and put him one over the former record of 226 set by Emporia's Jarett Vito in 1995-98. Blakley ended up with eight catches for 104 yards that day.

He broke the Truman career receiving yards standard against Missouri-Rolla, and claimed the MIAA career receiving yards mark against Missouri Southern. Blakley's father, Charles, is a member of the Truman Hall of Fame and 1999-2000 All-Century football team. Charles was a standout in the Bulldog receiving corps from 1998-01. He has caught a career reception leaders (117)

BULLDOGS IN THE MIAA AND NCAA:
The Bulldogs lead the MIAA in total offense (438.3 ypg) and are 12th in NCAA Division II. Truman is second in the conference in passing offense (259.4) and 26th in the nation (254.4 ypg). The Bulldogs are 11th in NCAA DII scoring with 37.0 points per game.

Burk is first in the league in total offense (330.5 ypg), second in passing average (239.5 ypg) and third in pass efficiency (128.3), fourth in rushing (82.4 ypg) and fifth in scoring (7.3 pg). Among NCAA DII leaders this week, Burk is second in total offense.

Blakley tops the MIAA, and DII, in receptions (9.0 rpg). He is also third in the league in receiving yards (88.9 pg), tied for seventh in scoring (6.7 ppm) and is eighth in all-purpose yards (100.6 ypg). Blakley is 29th in receiving yards in the NCAA.

Pugh leads the MIAA in punt return average (18.9 ypr) and is fifth in all-purpose yards (108.6 pg). He also ranks fourth in DII punt returns.

Senior running back Mike Redding (Lake Zurich, III.) is ninth in MIAA rushing yards (61.9 ypg).

Lepper is eighth in conference punting (37.1 ypp), third in scoring by kicks (5.9 ppg), fifth in field goals (.56 pg, 5-of-8) and fifth in PAT kicks (90.5%).

AND JENSEN MAKES THREE: Jensen’s been a deep threat for the Bulldogs and caught a 39-yard TD pass vs. PSU last week. Jensen caught one of the top four longest touchdown aerials in school history, an 89-yard bomb to Pugh. He also threw the second-longest touchdown pass in school history, an 89-yard bomb to Pugh.

Burk racks fifth on the MIAA’s single season total offense list with 2,867 yards this year. If he continues to average over 300 yards a game this week, Burk will move into second-place.

Burk was the Gateway Conference’s freshman of the year and played for Illinois State the last three years, before transferring to Truman to finish his eligibility.

THE REDDING RAILROAD CHUGS PAST 2,000 YARDS: Mike Redding broke the 2,000-yard barrier two weeks ago with 75 yards on 11 rushes against Missouri Southern. He now has 2,039 career yards and 440 carries. He charted his fifth career game with 100-plus yards after gaining 104 yards on 16 carries and two touchdowns vs. Washburn. He also had 108 yards on 14 carries and two TDs vs. Missouri-Rolla this year. However, his career high is 144 yards and 14 carries vs. Emporia State in 2001. As a sophomore, Redding had 11 carries for 114 yards vs. UMR and 17 carries for 123 yards vs. Central Missouri. He led the team in rushing the last two seasons, but it is currently sitting just behind Burk on the squad with 61.9 yards per game on the ground. He was one of his career high with 20 carries vs. MSSC this year.

KENT REACHES THE TOP AGAIN: After leading the team the last two years in total tackles, Derek Kent (Lucas, Iowa/Chariton) is again on top of the pack with a team-best 77 total tackles. He also leads the team with five pass breakups.

COACHES RECORDS: Truman head coach John Ware is in his eighth season as taskmaster of the Bulldogs, and has been a member of the Truman coaching staff since 1985. In his 80th game as head coach this year, Ware enjoyed a 57-28 win over Missouri-Rolla. Looking for his 50th career victory, he has posted a career record of 49-36 (.576) as head coach for the ‘Dogs, and is 44-26 (.629) in MIAA games. With the win over Missouri Southern, Ware became the third all-time winningest coach in Truman history, trailing only Red Wade (99 from 1951-66) and the legendary Don Faurot (63 from 1926-34). He surpassed H.L. McWilliams who had 48 wins from 1914-25. Ware is 5-2 vs. Central Missouri.

Willie Fritz is nearing the end of his sixth year at CMSU and is 45-20 during that time. He is a 1983 graduate of Pittsburg State and previously coached at Blinn Junior College in Texas where he led the team to national championships in 1995 and 1996.

BULLDOGS MAKE PRESEASON ALL-AMERICA TEAMS: Senior first-team all-MIAA center Nick Ruud (Moline, Ill.) and Wilfiroch were named first-team preseason all-Americans by D2Football.com, while Blakley and Lepper were both named to Street & Smith’s list of preseason All-Americans. The Don Hansen Football Gazette touted Blakley and Lepper as second-team preseason All-Americans as well.

IN THE RED ZONE: For the year, Truman has scored 37 of the 44 times the Bulldogs have had the ball inside their opponent’s 20-yard line. Last weekend, the ‘Dogs scored both times the got in the red zone with two rushing touchdowns.

Pittsburg State scored 5-of-5 times.

Against Quincy, Truman was 7-of-8 in the red zone with seven TDs.

SENIOR SPOTLIGHT: Aside from the senior standouts mentioned earlier in this release, several other important seniors are winding down their careers for the Bulldogs.

Included in this group are two offensive linemen, Nick Ruud (Moline, Ill.) and Chris Burns (Moline, Ill.). Both have been full-time starters this year, contributing heavily to the ‘Dogs No. 12 ranking in NCAA Division II total offense. Ruud, a two-time all-MIAA center, including first-team recognition last year, has helped the Bulldogs average 414.6 yards per game over the last four seasons. Burns has also been a heavy contributor during the last four years, starting every game in 2000 as well, but missing six games last year with an injury.

Tom Osborn (Springfield, Ill./Sacred Heart-Griffin) will forgo his final year of eligibility to graduate. He redshirted in 1999, but has served as the team’s full-time long and short snapper.

since then. Osborn also saw spot action as an offensive center for two seasons before moving to tight end this year.

Fullback Carl Swenson (Marshalltown, Iowa) has been a consistent performer for the Bulldogs, but has been used sparingly in Truman’s pass-heavy offense of the last few years. Called on in short-yardage and goal-line situations, as well as on special teams, Swenson has so far scored two touchdowns this year to go along with the three he had last season. For his career, Swenson has 61 rushes for 225 yards and five TDs and 11 receptions for 93 yards. He had the best game of his career to date last year with seven carries for 91 yards against Central Missouri, including a long run of 59 yards. He was chosen by his teammates as offensive scout team player of the year in 1998 and played in every game as a redshirt freshman in ’99. He is a three-year member of the MIAA commissioner’s academic honor roll.

Defensive lineman Nick Weite (Ottumwa, Iowa) rounds out the group. He earned all-MIAA recognition last year after leading the D-line with 36 total tackles. He snaggled the second interception of his career this year against Southwest Baptist. Weite is tied for the team-lead with three sacks this year and is second with eight tackles for losses. Weite has 95 total tackles for his career, including 18 tackles for losses and 4.5 sacks, along with two forced fumbles and six pass breakups. He returned two kickoffs for 34 yards as a redshirt freshman fullback, but later that year grew into an offensive guard where he started four games. Weite moved to defense his sophomore year and served as a reserve lineman and had a career high of seven tackles against Southwest Baptist. Last year, he made his last move when he took over at defensive tackle and was an honorable mention all-MIAA pick there, as well as defensive lineman of the year.

Senior strong safety Jake Willrich (Grimes, Iowa/Dallas Center Grimes) has been a consistent performer for the Bulldogs, but was named to the team-lead with three sacks this year and was an honorable mention all-MIAA pick there, as well as defensive lineman of the year. Willrich earned all-MIAA recognition last year after leading the D-line with 36 total tackles. He earned second-team all-MIAA recognition for his career, including 18 tackles for losses and 4.5 sacks, along with two forced fumbles and six pass breakups. He returned two kickoffs for 34 yards as a redshirt freshman fullback, but later that year grew into an offensive guard where he started four games. Willrich moved to defense his sophomore year and served as a reserve lineman and had a career high of seven tackles against Southwest Baptist.

Weite’s mother, Marcia, is the older sister of Truman head coach John Ware.

Senior strong safety Jake Willrich (Grimes, Iowa/Dallas Center Grimes) has been a standout both among the linebackers and, this year, in the Bulldog secondary. He played in every game as a redshirt freshman in 1999, after being named defensive scout team player of the year in 1998. That first season, Willrich caught a pass for 24 yards on a fake punt and made 63 total tackles. As a sophomore, Willrich was an honorable mention all-MIAA selection at linebacker after leading the team and finishing fourth in the conference in tackles with 98. Last season, Willrich earned second-team all-MIAA recognition and was named linebacker of the year by his teammates. He finished second on the squad with 90 total stops and returned a fumble 39 yards for a touchdown vs. Missouri Southern. For his career, Willrich has 332 total tackles, including 21 tackles for losses and four sacks, along with four forced fumbles, seven fumble recoveries, five interceptions (four this season for a team-high). He is a two-time academic all-MIAA pick and three-time member of the MIAA commissioner’s academic honor roll. Willrich earned second-team Verizon academic all-district honors last year as well.

FRESHMEN MAKE THE CUT: The Bulldogs have utilized several true freshman and redshirt freshman this year. Redshirt freshman receivers Justin Bodenhausen (Cobey, Mo./Savannah) and James Walton (Hinsdale, Ill./South) are ranked among the top six receivers on the team with Bodenhausen coming in third. He's caught a pass in eight out of nine games this year, having hit best game against Missouri Southern with five receptions for 62 yards, and his first touchdown, as the back-up to all-America Andrew Blakley. Walton is averaging 10.9 yards a catch, coming on strong in the last three games in key situations. He had three receptions against Northwest Missouri and 42 receiving yards vs. Pittsburg State.

True freshman defenders Jason Douglas and Marcus Yokeley (Marshall, Mo.) were thrown into the fire this year and have come out tempered to the college game. Douglas, who has started every game at cornerback, had a breakout game last week with his two kickoff returns for touchdowns. He ranks sixth in total tackles with 45. Yokeley has played a backup role to all-MIAA strong safety Derek Kent, but is still eighth on the team in tackles with 31. He also completed a pass for 11 yards on a fake punt this year.
