THE BULLDOGS (7-9, 1-7 MIAA): Truman hits the halfway mark of the MIAA season following Wednesday’s game against Southwest Baptist. The Bulldogs are just 1-7 in conference action and have some ground to make up in order to make the field in the Sonic/MIAA Championship for the third straight season.

The team played much better its last outing against Central Missouri, but they failed to get another mark in the win column as the Bulldogs fell 81-74.

Truman won the rebounding battle, 32-23, but couldn’t contain a hot-shooting Jennies team that hit 58% of their shots from the field.

Central Missouri led by as much as seven in the first-half, but Truman fought back. The Bulldogs held the lead with a minute remaining before the Jennies scored the final four points of the half to go into the break with a 40-37 lead.

**Note:** This text appears to be a series of tables and notes related to basketball games, including team statistics and scores. However, the actual content for the tables and notes is not visible in the image provided. The tables and notes are likely summarizing game results, player statistics, and other pertinent details from basketball games involving Truman State University and other teams. The context suggests a focus on box scores which are standard in basketball for documenting game results by period, team, and player. Without the actual content of the tables, I cannot provide a more detailed explanation of the data. It is important to note that the information presented is fragmented and requires visual access to complete analysis.
